This list does not constitute endorsement of any facility, nor medical advice. The information is subject to change. Please talk to your doctor and call the facility before you get a flu vaccination. Prepared by the Carroll County Health Department, 410-876-2152, [cchd.maryland.gov/flu](http://cchd.maryland.gov/flu), with the Carroll County Flu Vaccination Planning Committee.

## **Carroll County Flu Vaccination Resource Sheet**

Everyone 6 months and up should get a flu vaccination every year. Based on local flu data, the Carroll County Flu Vaccination Planning Committee recommends waiting until after October 1 to get a flu vaccination, and getting the quadrivalent (four strain) flu vaccination if possible. Here are several options for getting a flu vaccination:

**Your Primary Care Provider's Office:** Ask your primary care office about getting the flu vaccination. Most offices have it available for their patients. Ask if your insurance will cover the vaccine and if there is a copay.

**Access Carroll:** Will begin administering flu vaccinations for their patients on October 2, 2017.

### **Carroll County Health Department (CCHD):**

**Adults** - Flu vaccinations available on a walk-in basis for people who can't get one in the community. Limited doses available; the cost is \$25 and may be covered by insurance, but payment to CCHD is required at the time of the shot.

**Children** - Public school children can get a flu vaccination (shots only) in schools, including high schools this year. The FluMist nasal spray will not be used again this year because some research shows it has not been as effective as the flu shot in the last few years. The Carroll County Health Department will hold FREE flu vaccine clinics (shots only) for children 6 months-18 years of age on:

Wednesday, November 8, 3:00 – 7:00 p.m.

Wednesday, November 29, 3:00 – 7:00 p.m.

Wednesday, December 13, 3:00 – 7:00 p.m.

All clinics will be held at the Health Department, 290 South Center Street, Westminster.

### **Carroll County Senior Centers: Flu vaccination clinics offered by Finksburg Pharmacy for people age 9 and up.**

The quadrivalent (four strain) vaccine will be offered. Medicare Part B accepted; Medicare Advantage Plans are not accepted. BlueCross CareFirst medical billing accepted. Private insurance accepted for prescription plans that cover flu vaccination. Uninsured/Not-Covered patients pay \$25.00. Payment by cash or check only.
